condition. Ceramic base is free of major chips or cracks. The lampshade is intact and shows slight traces of age-related wear. The upper inner part of the frame is slightly domed and worn (see photos for details). Functionality: Fully tested and functional. The original wiring appears to be in good condition, but as with any vintage electronics, professional inspection is always recommended. Why you'll love it Exceptional height: Its imposing lampshade makes it the centerpiece of any room. It looks great next to an armchair or on a low sideboard. It goes perfectly with Eero Aarnio-style ball chairs (like the one pictured!), teak furniture or brutalist decor. Warm ambience: the textured lampshade diffuses light beautifully, ideal for cosy evenings. About us Rocaille has a showroom in the south of France, in Montpellier, and an office in England.
