

Etienne Noel: Pair Of Modernist 3-branch Varnished Earthenware Candlesticks

1 200 EUR

Signature : Etienne Noel

Period : 20th century

Condition : Très bon état

Material : Terracotta

Description

Rare pair of modernist 3-branch candlesticks in yellow varnished earth with brown rims. Original holes at the foot for electrification. Creations by Étienne Noel in Dieulefit, stamps under the base. Very good overall condition, some slight traces of rubbing on the edges of the candlesticks, candle remnants at the bottom of the branches.
Height 27cm Width 20cm
