### Description

Antique & rare streamlined racing car in painted sheet metal, inspired by the Citroën record cars of the 1930s. French manufacture by Jouets Citroën, as indicated by the circular stamped marking under the chassis "Jouets Citroën - Made in France". This antique mechanical toy features an aerodynamic body typical of the Streamline aesthetic of the 1930s, with pilot molded into the cockpit. The spring mechanism is visible under the chassis. The car is fitted with original Michelin rubber tires bearing embossed lettering. The original green paintwork shows a patina and traces of use consistent with age, which contribute to the charm of this antique toy. 31cm in length. good overall condition
