

## Pair Of Louis XVI Ormolu Sconces.

1 800 EUR

Period : 18th century

Condition : Bon état

Material : Bronze

Width : 26cm

Height : 38cm

### Description

Pair of two-light sconces in chased and gilded bronze. The shaft surmounted by a flaming urn is decorated with foliage from which rise the two moving light arms decorated with acanthus leaves. They end in fluted bobèches resting on acanthus cups. Original gilding showing slight wear. Late 18th century work. Height 38cm. Electrically mounted to EU standards. Formerly pierced for electricity.
