Description

Delicate semi-rigid bracelet crafted in white gold, adorned with finely chiseled floral motifs evoking grace and lightness. The setting is set with diamonds totaling approximately 1.80 carats, whose brilliance illuminates every detail and subtly underscores the relief of the decoration. The balance between the structure of the bracelet and the finesse of the motifs lends this creation an elegance that is both assertive and feminine. A refined jewel, combining poetry and sophistication, ideal for sublimating the wrist with radiance.
