### Description

This delightful paper cutter of a stylized pelican in bronze by N. Martini, is a little jewel for a refined desk top; in the purest "Art Déco" style and dating from 1930; this beautiful piece of curiosity is of decorative and useful interest on a desk, executed with perfect retouching and in a high density bronze of red copper alloy, it represents a stoic pelican in impassive profile on its two legs in a posture of expectation forming the grip of a tapered faceted blade, this beautiful stylized paper cutter is signed by N. Martini, it is a choice piece, sober and elegant in its originality, in very good condition with retouching and incomparable patina.
