

Earth And Water Statues

250 EUR

Period : 20th century

Condition : Parfait état

Material : Silk

Description

Scarf produced for Soleyanche Bachy's patronage as part of the vast program to restore the statues at the Château de Versailles. Thanks to the patrons over 270 statues have been restored and moved to the Sculpture and Casting Gallery. Replicas. In the Hermès style. Perfect condition. A rare and very colorful piece.
