Description

Oil on panel. Painted on reverse.- Beneath the stone jungle of the Amarna capitals, Nefertiti raises her hands like lotus petals, imploring the caress of the sovereign disk. Her plea is not a word, but a golden thread that binds her swan-like neck to the blazing fire of Aten, revealing her soul to the devouring light. In this silence of adobe and eternity, the queen melts into the lightning, transforming her prayer into the very beat of a horizon of absolute clarity.- Image size unframed: 25 x 35 cm / 35 x 44 cm with custom frame.
