Description

Art Deco stained glass panels 8 identical panels featuring geometric motifs such as arches, stylized lines and geometric shapes. The glass also features a variety of textures, including matte, (non)transparent, smooth and sections with varied textures. They offer a rich palette of colors including violet, yellow, green, blue, orange, red, white and colorless. The panels are made using stained glass techniques, where pieces of glass are set into lead profiles. 43 cm wide and 50.5 cm high. These panels can be used as wall decorations, as double glazing or integrated into windows and doors. Two panels have small cracks in one compartment (see detailed photos) but remain perfectly usable. The other panels are in excellent vintage condition. Interwar decorative art.
