Description

Varlope made of fruitwood (cormier tree) One of the outer sides bears the name of its master craftsman "Adrien Isidor" accompanied by three tools; a hammer, pliers and a wood chisel, carved in low relief. The iron blade is heart-shaped. This is certainly a master produced by a journeyman carpenter. Good overall condition, note the handle has been attacked by xylophagous insects. Dimensions: Length: 70 cm Height with socket: 19.5 cm France, 19th century Please contact the gallery for any further information.
