

"retour d'Egypte" Bronze Head - Empire Period, 19th Century

850 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

Important "Retour d'Egypte" head in bronze with brown patina featuring an Egyptian woman wearing a Nemès à l'Antique. French Empire period, 19th century. (Beautiful patina, slight traces of casting, a tiny hole in the lower part). Height: 17.5 cm. Length: 11 cm. Depth: 11 cm. Of unusual dimensions, this bronze head is very close to the work of Jacob Frères. Several pieces of furniture adorned with similar heads were produced for Empire palaces under orders from Napoleon I.
