

Couronne De Comte - Set Of 12 Ebony And Solid Silver Table Knives - Circa 1830

220 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Description

Set of 12 ebony and sterling silver table knives. The Turkish-style cast steel blades, signed by Bailly in Moulins, have been treated to protect them from corrosion. The handles are inlaid with engraved with a Comtale crown. Work in the Empire style Restoration period. Circa 1830. This is a very classical early model with ebony handle, ferrules and inlaid cartouche in solid silver. Inlaid cartouche in solid silver, easily matching all types of household. Our knives are in good condition, with traces of use. 3 escutcheons are missing on 3 knives. Length: 24cm
