Description

Here's a fine example of Art Nouveau fire art signed Valère, inv, 1906. A glass plate forming with an oval view. Its thick enamel decoration is richly worked in volutes, arabesques and curves in the dominant colors of the French flag, which you'll find in an upper cartouche as a double standard. This enamel work is presented in a wide gilded and green wooden frame.Shipping in France and internationally, please contact me for .
