Description

Charming antique patinated metal candlestick, depicting a leaping horse with lively and expressive modelling. The candle holder is supported by the animal's neck, while the rear extends into an elegant pierced decoration of scrolls and foliage, giving the piece a highly decorative silhouette.

Dimensions: length 17 cm; height 10 cm.

Weight: 396 g.

Material: patinated metal.

Overall in good condition, with light wear consistent with age and an attractive patina.
