## Carved Wooden Statue Depicting The Immaculate Conception, 19th Century, Sicily

800 EUR

Period : 19th century

Condition : Bon état

Material : Wood marquetry

Length : 17

Width : 19

Height : 39

### Description

Beautiful carved wooden sculpture resting on a gilded base. Made in Sicily in the second half of the 19th century. The inscription "1889 per devozione Capodicasa Salvatore" (I believe this is the donor) is written under the base. In excellent condition. The sculpture alone measures 35 cm in height, 17 cm in width, and 11 cm in length. With the base, the height is 39 cm, the width is 19 cm, and the length is 17 cm.
