Description

Murano glass wall lamp by Albano Poli for Poliarte, Italy, 1970s. Composed of 24 precisely assembled Murano glass elements, this wall lamp diffuses a subtle, warm and vibrant light. The play of transparency and relief creates a unique lighting effect, both sophisticated and enveloping. The square stainless steel structure adds a modern, timeless touch, contrasting harmoniously with the transparency of the glass. A perfect alliance between geometric rigor and luminous poetry. Ideal for sublimating a contemporary interior, a vintage space or a high-end decoration. Very good condition. Delivery France and rest of Europe: prices on request.
