

## Ancient Wooden Sculpture From Naples, 18th Century.

2 500 EUR

Period : 18th century

Condition : Très bon état

Material : Solid wood

### Description

Antique Neapolitan polychrome wooden sculpture depicting a blessing child. The child has naturalistic childlike proportions, with a tilted head and large eyes and a forward gaze, and stands on a carved, gilded wooden base. The arms are raised and open, with hands positioned in a blessing and welcoming gesture, so that the anatomical rendering is simplified yet attentive to the main volumes. The complexion is treated with pinkish hues concentrated on the face, chest, and knees. Condition: Excellent. Provenance: Naples, 18th century. Dimensions: 17 x 17 cm, H 36 cm. Document: Certificate of Authenticity. Customer Service: We are at your disposal for further clarification or photographic details. Shipping: Throughout Italy, Europe, and the rest of the world at very reasonable prices,
