### Description

A gilded brass cross...Creased for a black enamel  
...Said champlévé...And in the center 7 cut  
amethysts...From the 1880s...FRENCH  
production...With a cotton cord...That can be  
changed for a chain...!Some small imperfections  
on the enamel...And some oxidation on the  
brass...But still a lovely piece of jewelry...Weight  
... 23 gr 83
