

## Crystal And Wrought Iron Floor Lamp

580 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Width : 41cm

Diameter : 60cm

Height : 173/148cm

### Description

Floor lamp resting on a tripod wrought-iron scroll base decorated with acanthus leaves. The central shaft is composed of crystal elements alternating spherical and piriform shapes interspersed with gilded brass rings. Work from the 1950s, in very good condition with no breakage! Functional electrification. Surmounted by a conical shade measuring 60cm in diameter and 35cm in height. The total height of the floor lamp is 173cm, the foot alone measures 148cm for a 41cm span at the base.
