Early 19th Century Pair Of Florentine Oil Lights

900 EUR

Period : 19th century

Condition : Bon état

Material : Brass

Width : 14

Height : 66

Description

Refined pair of typical Florentine brass oil lamps. The lamps feature four lights each and are complete with fittings, counterweights, chains, and tools for lighting and extinguishing the fire, such as scissors and tongs, which give them their distinctive character. The lamps feature a circular, ring-shaped base and two hooks with snake heads. This pair of lamps exudes great taste and refinement, in excellent condition, and will add a touch of class and antiquity to any room. Florentine manufacture, early 19th century.Dimensions: H x W 66 x 14cm
