Description

Modern brooch in textured, lustrous 585 (14K) gold, adorned with two natural diamonds and a central pearl. Its openwork structure, reminiscent of twigs, gives the jewel a sculptural dimension and a resolutely modern elegance. Hallmarked by the manufacturer, it features a secure clasp. A refined and expressive piece of jewelry, it goes equally well with classic or contemporary clothing, and will sublimate the lapel of a jacket, dress or coat. Tested and approved by the Lithuanian Guarantee
