Description

A refined floor lamp by Carlo Rizzarda, one of the most important Italian masters of wrought iron of the 20th century. This piece, dating back to the 1930s, represents a perfect balance between decorative elegance and artisanal mastery. The structure is made entirely of wrought iron with a warm gold finish, featuring a twisted shaft and a finely crafted tripod base. The upper part is embellished with a stylized zoomorphic decorative element, typical of Rizzarda's artistic language, which supports the light fixture with a pleated lampshade, adding a poetic and distinctive touch. **ADDITIONAL INFORMATION:**

The artwork is sold with a certificate of authenticity and guarantee.
