Description

Framed oil on canvas depicting a bouquet of flowers on an entablature. The autumnal colors here are almost saturated and give great warmth to the work. This painting bears the indication "d'après..." followed by a name that is impossible to decipher. It is dated 1920. The frame is later. This canvas is in good condition, traces of an old frame are visible on the edges of the canvas, they are quite discreet (see photos 6 to 8).
