Description

Inspired by the great French decorative compositions of the XVIIIe century, this entirely handmade Aubusson-style knotted-stitch rug seduces with its rich decoration and elegant design, in the pure tradition of classically inspired productions. Its warm, multicolored central field is organized around a large ivory oval medallion, delicately adorned with a floral bouquet in subtle shades of red, pink, cream and soft green. This medallion is set in a profusion of arabesques, scrolls and stylized floral motifs, arranged with beautiful symmetry and enhanced with gold touches adding relief and refinement. The spandrels feature large floral cartouches on a light background, echoing the theme of the central bouquet, linked by garlands and undulating ribbons, characteristic of the Aubusson style. The
