Description

This gouache on paper depicts the Craon cemetery in bloom. On the back we find a legend "Cimetière des Bénédictines de Craon, tableau exécuté par une des religieuses et offert à Grand'pa après la guerre de 39-40". The whole is in a decent general condition, but not perfect, we report a slightly warped work, a corner of the frame damaged, on the back the paper is torn and damp stains. Our photos allow you to appreciate the quality of the work. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description.
