Description

Eighteenth-Century Walnut Farm Table Authentic 18th-century solid walnut farm table. It features a top composed of large antique planks offering a beautiful patina and warm veining characteristic of antique walnut. The table rests on four turned legs linked by a sober belt. It features an end drawer, retaining its antique hardware. A French provincial rustic furniture from the 18th century, this table seduces with its simplicity, authenticity and sturdiness. It will find a perfect place in a kitchen, dining room or characterful home. Dimensions: Height: 74 cm Length: 179.5 cm Depth: 81.5 cm
