Description

Oak chest of drawers model 394 by Kai Kristiansen, Denmark, 1960sElegant model 394 chest of drawers designed by Kai Kristiansen, an emblematic figure of 20th-century Danish design.Crafted in oak, this piece is distinguished by the purity of its lines and the high quality of its workmanship. The front features three drawers with recessed integrated handles, typical of Kristiansen's work, combining minimalist aesthetics with functionality. The base, finished in oak, is a perfect complement to the cabinet.The slim, slightly curved base lends the whole unit visual lightness while ensuring excellent stability. The balanced proportions and sleek design perfectly illustrate the spirit of Scandinavian design from the 1960s. The oak, carefully crafted to the highest standards, is the ideal material for
