### Description

Pleated long dress in damask silk- Early XIXe century - Purple floral motifs on black background  
Long pleated dress in damask silkdamask, dating from the early XIXe century, adorned with delicate bouquets of purple roses and lilies of the valley on a deep black background. A rare piece of timeless sublimated by a beautiful play of textures and light. The cut enhances the silhouette with a fitted vintage waist and full skirt with structured pleats. Hook-and-button closure at the back, typical of vintage garments. Features a pocket on the left side to slip in your dance card or other personal accessory. Condition : Good overall condition for its age. Note a loose seam of approx. 8cm at the back and wear (see photos). Solid fabric. No stains, slight pin marks, discreet
