1 800 EUR

Signature : Entourage de Maria Bashkirtseff

Period : 19th century

Condition : Bon état

Material : Oil painting

Description

Oil on canvas circa 1870, depicting a woman painter in a bourgeois interior, painting at her easel. Very beautifully crafted painting with an interesting subject for the period. An annotation on the back "Maria Bashkirtseff", submits the idea that the painting could represent the artist. Research to be done on the artist, having attended the Julian academy, we can explore this side or the side of painters close to his family circle. On the back of the frame there is a collector's mark in red wax "E.W". Work in good overall condition, there is a glossy varnish and minor wear. Modern framing without much interest. Dimensions out of frame: 59 / 54 cm
