Description

Polychrome porcelain dish with gallant décor - 19th century
Charming porcelain dish with contoured rim, featuring hand-painted decoration in the taste of 18th-century galant scenes. The center features a pastoral scene depicting an elegantly dressed couple in a wooded landscape, in a spirit inspired by Watteau, with fine, delicate color work. The wing, richly modeled in relief with shells and gadroons, is enhanced with nuanced hues and a light gilded fillet. Beautiful quality of painting with a subtle rendering of landscapes and figures, testifying to meticulous decorative work. The reverse features a plain background with circular heel. Dimensions: Diameter: 34 cm Height: 5 cm Condition: Good overall condition. Slight wear to the gilding Era: 19th century Origin: European
