Description

Très Grande bibliothèque de magasin / buffet deux corps en chêne - fin XIXe siècle, esprit Napoléon III. Imposing two-piece solid oak bookcase, offering remarkable storage volume and a beautiful decorative presence. The upper part opens through four glass doors, revealing vast shelves ideal for books, objects or collections. The antique glass features gentle undulations, adding to the overall charm. Metal handles and locks, in the shape of cutlery, underline a sober, elegant aesthetic. The lower section consists of four solid doors opening onto generous storage spaces, with interior shelves and drawers. Note the presence of modular fittings, practical for everyday use. The ensemble rests on a molded base and features straight, balanced lines typical of the transition between the late
