### Description

A masterpiece signed by Heissner for your collection. Choosing this extraordinary terracotta bear means owning a piece of history from early 20th-century German garden design. Certainly, the Heissner signature stamped on the work guarantees an indisputable artistic value, making it a safe investment for any collector. Since the quality of the materials used at the time was excellent, the object still conveys a remarkable visual solidity today. Furthermore, the attention to the bear's anatomical details demonstrates the technical mastery of a manufacturer that defined an era in the decoration sector. From fountain to refined interior decor. Regarding its original function, the superior quality of the product clearly emerges by carefully observing the structural holes and the metal spout. These

elements indicate that the object was originally created as a decorative outdoor fountain.

However, thanks to its iconic design, it can now be successfully used as an exclusive interior decor item. Consequently, this versatility allows it to be placed in a modern living room or a classic study, where it will immediately become the focal point of the environment. Technical details and state of conservation In terms of its current state, the little bear is in good general condition, proudly maintaining its precious original first patina. Although there are minimal signs of age-related wear that attest to its antiquity, the aesthetic charm remains intact. Additionally, its dimensions of 50x40xh53cm make it an imposing yet easy-to-place piece. Finally, please remember that we ship worldwide via Fed-ex-UPS-Dhl with professional packaging and insurance. Shipping throughout Europe is to be agreed upon, while for payment we accept bank transfer, Visa, Mastercard.
