Description

The timeless elegance of Florentine Liberty styleThis splendid proposal represents a great opportunity for those who wish to enrich their spaces with a piece of authentic Italian antiques. Certainly, the set stands out for the presence of an imposing wrought iron vase holder, characterized by refined twisted sheet metal decorations that support the structure on three slender legs. Since the craftsmanship of Florence in 1910 is renowned for its aesthetic care, this object is not just a stand, but a true sculpture that elevates the value of any setting.Mastery in copper and perfect proportionsRegarding the central body, the set includes a large hammered copper vase, expertly ribbed and embellished with side rings. Thanks to the combination of the wrought iron (h.97 cm, diam.56 cm) and the copper vase (h.23

cm, diam.50 cm), the whole exudes an extraordinary visual strength. Furthermore, it is important to emphasize that the item is in excellent condition, entirely preserved in its original patina. Consequently, the warm glow of the hammered copper creates a perfect contrast with the dark structure of the iron, typical of the refined taste of the early century.Safe shipping and paymentsIn terms of logistics, we guarantee an impeccable service to protect your purchase. In fact, we ship worldwide via Fed-ex-UPS-Dhl with professional packaging and insurance. As for the shipping cost throughout Europe, it is to be agreed upon based on the destination. Finally, as an accepted payment method, we offer bank transfer to ensure maximum transparency. In conclusion, this piece represents a safe investment for collectors and lovers of beauty.
