### Description

Rare 1960s Danish round dining table by Grete Jalk. With a diameter of 135cm plus 2 extensions of 55cm this table will accommodate a dozen guests with its 245cm length x 135cm width. Its original black laminate combined with its solid light teak offers a superb contrast and easy, highly functional multi-use with its two large extensions... Good condition, a few micro-scratches and marks on the original laminate... This Danish teak and black laminate dining table is an iconic piece of 1960s design by Grete Jalk. Combining aesthetics and functionality, this 1960s design extendable dining table goes from a convivial round format to a large 245 cm long table thanks to its two extensions. The contrast between the light-colored solid teak and the black laminate top offers a rare
