

## Six-light Crystal Drop Chandelier Dating From The Mid-19th Century.

800 EUR

Period : 19th century

Condition : Bon état

Material : Crystal

Diameter : 55

Height : 80

### Description

Elegant six-light crystal drop chandelier dating from the mid-19th century. The iron frame retains its original patina, enhancing its historic character, while the faceted crystal drops reflect and diffuse the light beautifully. Richly detailed and true to the style of its period, this chandelier is a refined antique piece, ideal for classic interiors or for adding a sophisticated touch to contemporary spaces.
