### Description

Vase signed Jean Claude Novaro. Master glassmaker in Biot. He is renowned for his bold approach to glass, blending tradition and innovation. His work is distinguished by the use of powdered interlayers, inclusions of gold and silver leaf, and vivid colors, creating effects of depth and movement. He has also explored a variety of forms, from flasks to vases to abstract sculptures, testifying to his technical mastery and boundless creativity. Original form for this piece in deep, pastel colors.
