Description

Painting "Rural Landscape", signed Alfredo Suppo - 20th century Oil on panel depicting a charming countryside landscape, signed lower right by Alfredo Suppo (Biella 1886 - Turin 1973). The work depicts a path or plowed field winding through rolling hills and lush vegetation, with densely crowned trees and a sky filled with light clouds, rendered with textured, luminous brushstrokes. The composition highlights a painterly sensibility focused on light and depth, with references to the Italian landscape tradition of the early 20th century. The warm earth tones balance with greens and blues, creating a harmonious whole with a striking decorative impact. The work is enhanced by an elegant, contemporary carved and gilded wooden frame, which enhances its classical character. Details: \*
