Vacheron Constantin Watch In White Gold

13 000 EUR

Period : 20th century

Condition : Très bon état

Description

Elegant ladies' watch signed Vacheron Constantin, made circa 1970, illustrating the discreet refinement and watchmaking expertise of the house.Its rectangular case in 18-carat white gold, with clipped caseback (ref. 7186), frames an understated silver-gray dial, embellished with Roman numerals that underscore its classic, timeless aesthetic.It is powered by a caliber 1003 mechanical movement, renowned for its exceptional finesse, emblematic of the Manufacture's technical excellence. The case, dial and movement are signed, attesting to its authenticity.This timepiece is distinguished by its elegant integrated white gold "woven basket" bracelet, adding a touch that is both precious and original. Its harmonious dimensions (25 x 22.5 mm) make it a delicate timepiece, perfectly suited
