Motorcyclist In Motion

450 EUR

Signature : Monogramme en bas à droite

Period : 20th century

Condition : Très bon état

Material : Paper

Length : 24

Width : 17,5

Description

Superb 1930s ink and wash drawing, capturing the aesthetic of motion and speed characteristic of the Interwar period. Drawing influence from Futurism and Vorticism, the artist employs dynamic outlines and horizontal speed lines to convey the power of the machine.The stylized silhouette of the rider merges with the motorcycle, emphasizing the bond between man and technology. The work features a monogram in the lower right corner. A fascinating example of Art Deco mechanical iconography.
