Description

Charming photographic frame or small presentation frame in wood clad with repoussé copper plates, in a spirit blending decorative brassware, Art Nouveau and Arts & Crafts influences. The highly graphic composition is enlivened by beautiful stylized motifs of scrolls and foliage, underscored by hammered decoration and punctuated by small raised lozenges that give it plenty of presence. The design, both sober and ornamental, evokes the decorative productions of the early 20th century, in the taste of hand-worked metal arts. A seductive piece for its relief, material and attractive decorative power. Dimensions: height 30 cm; width 17 cm in the lower part and 13 cm in the upper part. Good overall condition, with slight traces of time and use. Two very small balls of decoration are
