Description

Elegant pair of printed fabric curtains with sumptuous Indian-inspired decor, illustrating a delicate tree of life unfurling its flowering branches.On a luminous light background blooms a rich floral composition enlivened by numerous butterflies, evoking the famous Indian-inspired decorative cotton fabrics. Stylized flowers, delicate foliage and sinuous branches make up a refined ensemble of warm, soft hues, blending coral reds, powdery blues and subtle greens.Each panel is framed by a pretty printed border that elegantly highlights the decor and recalls traditional decorative textiles.The curtains are doubled, offering a beautiful fall and hold. The top features pretty, even pleats, with wooden rings already in place for easy installation. The curtains are doubled, offering beautiful fall and
