**Pediment In Carved And Gilded Wood, Decorated With A Flower Basket, Louis XV Style**

300 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Gilded wood

Length : 65

Height : 24

Description

Beautiful decorative element in carved, openwork wood, forming a pediment or trim for the top of a mirror, piece of furniture or woodwork. The composition is organized around an elegant central basket garnished with fruit or flowers, framed by wide foliate scrolls in a spirit inspired by the Louis XV repertoire. This highly ornamental piece captivates with its beautiful symmetrical design, strong relief and decorative presence. It has been re-gilded with 23 .75 carat gold leaf, water gilding, restoring a beautiful shine while highlighting the sculpture work. Antique work, probably 19th century, in the Louis XV style. An ideal piece of wall decoration, above a mirror, a door, a panel or integrated into a woodwork project. Dimensions: length 65 cm; height 24 cm; thickness 2 cm. Condition: good
