

Fountain Or Washbasin Sink And Its Barbotine Basin Probably Sarreguemines To Restore.

120 EUR

Period : 19th century

Condition : A restaurer

Material : Ceramic

Description

This beautiful barbotine fountain, from the late 19th or very early 20th century, is in its found condition, to be restored. Defects noted: the top piece, with the faucet, has a missing bottom right and a hair visible on the back. Traces of old blue paint are present inside the basin. Its two soap dishes have been broken. One has been restored. The bottom piece is in perfect condition. Total height: 135 cm. The price takes into account the cost of future restorations. To be picked up on site in Saint-Marcellin, halfway between Grenoble and Valence.
