Description

Elevate your interior with this iconic 1970s Hollywood Regency brass palm tree floor lamp. A true statement piece, this lamp features two asymmetrical "trunks" topped with intricately layered brass fronds that create a spectacular, warm ambient light when illuminated. The heavy, square base is finished in a dark green faux-marble/malachite or slate-effect lacquer (please confirm material), providing excellent stability and a classic glam aesthetic. The brass has developed a beautiful, authentic patina over the decades, adding depth and character that only true vintage pieces possess. Perfect for maximalist, Mid-Century Modern, or eclectic "Jungle Chic" interiors. Structure: Solid and sturdy. The brass fronds are in excellent vintage condition with no major bends or missing
