Description

In a remarkable state of preservation, this pair of Maffrash fragments is iconic. The patterns, Sumak's technique, the dense, saturated hues, all point to the prestigious weaving work of the Armenian people. I have the pieces in front of me and the feeling of admiration dominates. It's simply moving. The incredible harmony of natural and vegetable hues. The brilliance that has stood the test of time. These ultra-precise motifs that seem to be sculpted in the material... we're verging on perfection. Circa 1850 Impeccable condition Dim : 53 x 50 cm Laurent Beauty of Kilims
