Description

Portrait of an Elegant Woman - Oil on canvas - Art Deco period, circa 1930
Description: A charming portrait of an elegant woman, painted in oil on canvas, in a style typical of the Art Deco period of the 1920s and 1930s. The composition depicts a young woman seated, with a proud bearing and a gaze that is both gentle and confident. She wears a flowing dress in shades of green and blue, subtly enhanced by a low neckline and a green earring that catches the light. The delicate and luminous treatment of the face contrasts with a background of blended and slightly abstract hues, lending depth and modernity to the whole. The visible brushstrokes, particularly in the hair and drapery, demonstrate a fine technical mastery and a certain painterly spontaneity. This work is part of the Art Deco
