Description

We present this elegant small Italian console table from the Empire period, dating back to the early 19th century. This console table possesses a unique historical charm, perfect for enhancing your living space. Crafted from cherry wood with a very linear design typical of the Empire period. The exquisite white marble top (probably Carrara) is supported by an elegant central column. On the front, a finely chiseled gilded bronze decoration creates a distinctive visual accent. The numerous photos also show the construction details that attest to its historic period. It is in excellent condition, with minor signs of wear consistent with its age. Ideal for enhancing an entryway or a corner of the living room, it pairs perfectly with a beautiful painting or mirror. In any room of the home, it will
