Description

Elegant carved and gilded wooden studio easel in the Louis XV style. This model is distinguished by its rich carved decoration of rocaille motifs, harmoniously curved lines and beautiful gilding, giving it a presence that is both refined and decorative. Both functional and aesthetic, it can accommodate a painting or be used as a display element, bringing a touch of elegance to both classic and contemporary interiors. Good overall condition, with a patina in keeping with its age. Dimensions: Height: 165 cm Width: 48 cm Expedition possible in France and internationally. Do not hesitate to contact me for any further information or to request additional photos.
