

Solid Silver Plaque Depicting Danae, Seduced By Zeus Transformed Into Golden Rain.

280 EUR

Period : 17th century

Condition : Parfait état

Material : Sterling silver

Length : 11,5 cms

Height : 5 cms

Description

Beautiful plate in solid silver, 17th century, France. This plate depicts Danae reclining, very undressed, with a shower of gold coins falling from the sky on the left side. Draped drapery behind Danae, a maid bends over her.

Architecture on the left, a string of arcades. A colonnade on the right. Thick plate. Punches lower left, see photos. Counter punches on back. May be a box ornament.
