

Miniature Wickerwork Doll's Basket From The 19th Century

130 EUR

Period : 19th century

Condition : Parfait état

Material : Rattan

Width : 14 cm

Height : 16 cm

Description

A delightful little oval miniature doll basket with two leaves and handle. It is made of wickerwork and partially splintered, which adds a great deal of finesse to the work. Its condition is remarkable, especially for such a fragile 19th-century object that has been handled by children. Shipment in France and internationally, contact me for details
